

Property Owners Association

June 2, 2020

Dear Treetop Village Owners and Guests,

Welcome to a beautiful summer at the Lake!! The COVID-19 pandemic still continues to challenge our every day lives as we struggle to find a new normal. While many of us are feeling uncertainty in our lives, business is returning to a new definition of normal at Lake of the Ozarks. Local attractions are beginning to open; restaurants and bars are operating for both dine in and carry out services. Our pools are open here at Treetop Village, and the lake is busy with boaters and vacationers!

The well-being, health, and safety of people remains our top priority. We are doing everything we can to keep our employees and guests safe during these challenging times. We continue to stress that none of our staff members have tested positive for the virus, and we have had no reports of anyone contracting the virus during their stay with us.

We continue to be diligent; I am working closely with all of my staff to ensure the units are clean, sanitized and disinfected before your arrival. Even units that are vacant are being recleaned to help prevent the spread of the virus. We have temporarily stopped using the notebooks, and are placing keys under the doors of the unit to allow for contactless check in should you so desire.

Our office remains open Monday – Thursday and Saturday from 9:00am – 5:00pm, and Fridays and Sundays from 9:00am – 7:00pm. Should you need anything before, during or after your stay please don't hesitate to contact us at 573-365-2232, we remain ready to assist you with anything you need.

Stay safe and well!

Sincerely,

Brandy Smith
Property Manager
